Description of Program:

The goal at Garrison City Early Childhood Center is to provide your child with a safe, warm and caring, enriching environment. We believe that early childhood should be a time of fun, warmth and security, exploration and discovery. Our programs enhance the social, emotional physical and intellectual development of the whole child.

You and your child are **welcome to make an appointment** to tour our facility and learn more about our programs. We look forward to serving your childcare needs.
